International Dinner - April 17, 2010 @ the Horth's Residence

The Wichita County Medical Alliance's International Dinner is an annual event to celebrate the diverse cultures in our medical families. Everyone is asked to bring a special dish that reflects their heritage to share with everyone. It is a wonderful opportunity to learn and appreciate our diversity and have fun with friends and colleagues and to meet new members. It is also an opportunity to raise funds for local charities. Proceeds collected for this event will benefit the Food Bank's Power Pack Program which distributes food to a growing number of hungry children, many of whom are right here in the Wichita Falls Independent School District.

International Dinner - April 17, 2010 @ the Horth's Residence

The WCMA would like to thank Dr. Flavia and Mr. Bob Horth for graciously hosting this year's International Dinner. We thank everyone who came despite the torrential rain that evening and brought delicious dishes from various parts of the world. A special thank you to the Fil-Am Dance Troupe for their wonderful performances of traditional Philippine, Hawaiian, and Tahitian dances. It was an outstanding, fun-filled evening and we look forward to more events in the near future.

Thank You!
