Welcome Picnic – October 2, 2010 – De Asis' Residence

The annual WCMA Welcome Picnic has been a long tradition to welcome all new physicians and their families to the community. It is a wonderful opportunity to meet the new families and extend our Texas-style hospitality to each and every one.

We thank the De Asis Family for hosting this event, and please feel free to contact any of the WCMA members if there is something that we can do for you.

Thank you all for coming!
